Summer Issue of the Newsletter is available

You may download the Summer issue of the Newsletter here:

<http://www.earlyfordregistry.com/newsletters/v8n2p1-12.pdf>

You can read the latest information about tours and swap meets, a report from Chickasha, details about the upcoming Meet & Greet at the Hershey Swap Meet, an interesting article about one of our new members and the usual reports from all area of the Registry.

In this picture, **Kim Dobbins** is telling those attending the 1903-1909 Early Ford Registry's Chickasha Swap Meet & Greet about a Model A Ford crankcase. Details in the current newsletter.

Here's an idea: If you have a friend that is interested in Early Ford Automobiles, print a copy of the newsletter and give it to him. It might inspire him to have a look at our award winning website and join the close to 200 other people with the same interests. It is the best single marquee antique automobile organization in the world*.

*That is our opinion and we're sticking to it!

Exciting New Technology Provide possible opportunity to help EFR members get parts!

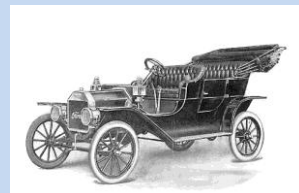

That headline is quite a mouthful, but the details could help us make parts for our Fords. Here is a link

<http://www.youtube.com/watch?v=ggvzcGdZsTc> to a YouTube video about the NextEngine 3D scanner.

We are working with a Technical School that has one which might possibly be available to make scans of parts for us. The scans can be used to make drawings or models of the parts.

The investigation has just started, but we know the school's students do projects with the scanner.

If you are interested in helping with this project, please contact Secretary Dave, (563.387.3736 or Dave@Dunlavy.us).
