2011 Board of Directors

In the fall of 2010, the Early Ford Registry, Inc., in compliance with its Bylaws held an election for the three open director positions to serve a new 3 year term of 2011 to 2013.

I recently received an email from Dave Dunlavy, Secretary, stating that the results of the election of the new EFR board members were completed. The following is a list of the EFR Board of Directors for 2011, along with their term of service –

John W. Biggs 2009-2011
Richard DeCarli 2009-2011
Dave Dunlavy 2011-2013
Floyd Jaehnert 2011-2013
Rick Lindner 2011-2013
Paul Mikeska 2010-2012
Carlton Pate 2010-2012
Paul Schaefer 2009-2011
Gerald VanOoteghem 2010-2012

Within the next week, I will send out an email to the Board of Directors to open a meeting to elect the officers for EFR for the next calendar year (2011).

EFR positions that need to be elected – President, Vice President, Secretary-Treasurer.

Since the EFR officer positions are not limited to Board members, any EFR member interested in being an officer of the organization should notify the current president, Carl Pate or the Secretary, Dave Dunlavy, of their interest by **December 20, 2010** so their name can be entered in the election by the Board of Directors.

Carl Pate, President

Thank You for Paying your Dues and Voting Promptly

One hundred and one members promptly returned their Board of Directors ballot and dues payments already this year. More than half of our members have paid their 2011 dues to date.

Many members included donations to the **Richard Oswald Model N Ford Restoration Project**. A check for \$1040.00 has been sent to Jerry VanOoteghem, Chairman of the project, to assist in purchasing items and labor to complete the project.

2011 promises to be a great year for us. Look for details about the **Third Early Ford Registry Tour** to be held just prior to the 25th running of the **New London New Brighton Antique Car Run** in August in Minnesota. A limited number of brass Model T's will be allowed to join us for that tour.

Until later - stay Warm, stay Safe and stay Tuned.....
