Do You Need a NRS Wishbone?

There has quite a bit of talk lately about the lack of used NRS wishbones. Several project cars are being held up for lack of one, including the Oswald Model N Ford Runabout.

Exhaustive telephone calling has found no extra wishbones. However, we did find several restoration projects, besides ours, without one.

If you need a wishbone – Catalog part number 127, please contact Dave Dunlavy immediately (dave@dunlavyus – Voice 563.387.3736). We will add your name to a non-binding list of those needing a wishbone.

We are hoping we can find a vendor to make a few. If we can find a source, we'll forward your name to the source, who can contact you with cost and delivery information.

If you are a manufacturer wanting to furnish this part, please contact Dave Dunlavy (dave@dunlavyus – Voice 563.387.3736).
