A Faster Way to go to the EFR Website

We have made it easier to go to the **1903-1909 Early Ford Registry, Inc.** website. Now all you have to do is type **efr1.com** (or EFR1.COM – it doesn't make any difference) in your browser.

This addition should get you to our web page quicker. If you are using Chrome, if the yellow menu doesn't display as shown above, simply press <ctrl> F5 to flush the memory and load from scratch. The other browsers we've tested have the menu displayed properly.

In case you have any questions, problems or suggestions, please let me know by email (dave@EarlyFordRegistry.com) or phone (563.387.3736). We are always looking for suggestions to make the website better.
