#### Only 3 Weeks Remaining to Hershey

*The Annual Get-Together / Meet and Greet*

*By Carl Pate, President*

**Date:** October 8, 2009  
**Day:** Thursday  
**Time:** 4:00 PM  
**Place:** Hershey Flee Market  
**Location:** Red Field - RWM 22-26  
(Under the name Magee)  
**Hosts:** Carl and Anne Pate

Please RSVP to (anpcop@aol.com): Since we need to plan for the number of people attending (refreshments), please let us know how many will be coming (family and friends).

If you are planning to bring a car(s) to the show on Saturday, drive it over to our group get-together on Thursday (the members would love to see it without the Saturday show crowds).

Though we all pray for no rain (Thursday and Saturday), the space we are at has a large tent in case the weather does not cooperate for the meeting time above - Rain or Shine.

#### NRS Camshafts are Available

One of our members, Bruce Balough, contacted Bill Stipe of Stipe Machine Company to build some new camshafts for NRS vintage Fords.

Bill has become famous for his work with Model T Camshafts.

The camshafts are built and delivered to those who ordered them. There are a very few available. This was a one time manufacturing run, so if you ever think you might ever need a cam shaft, you should contact Bill before the supply is exhausted.

He can be reached at 920-467-2895 or bstipe at excel dot net
