

# 1903-1909 EARLY FORD REGISTRY

## Member Announcements

April 12, 2010

### EFR Members –

I am proud to advise you that on March 29<sup>th</sup>, 2010, Dave Dunlavy, editor of the EFR newsletter, was advised that we have received the coveted Horseless Carriage Club of America's "First Place Overall" Award for 2009.

In 2008 the EFR newsletter underwent a major overhaul, thanks to the feedback given by Steve and Blanche Gordon, Newsletter Judges for HCCA. Because of the importance of the newsletter to the success of our organization, a lot of effort was taken by the editor to improve it to make it one of the best. Based on this award, Dave's efforts have paid off.

Dave and I want to thank each and every member who contributed articles and information this year. To keep up the good work and quality of the newsletter, we continue to ask for your pictures and articles. The next EFR newsletter will be published May 15<sup>th</sup>.

Mark your calendar – The Annual EFR Meet & Greet at Hershey will be on Thursday afternoon, October 7, 2010. The exact time and place will be announced in September. I hope you all can make it....

Carl Pate  
President of EFR

### Exciting New Technology Provide possible opportunity to help EFR members get parts!

That headline is quite a mouthful, but the details could help us make parts for our Fords. Here is a link

<http://www.youtube.com/watch?v=ggvzcGdZsTc> to a YouTube video about the NextEngine 3D scanner.

We are working with a Technical School that has one which might possibly be available to make scans of parts for us. The scans can be used to make drawings or models of the parts.

The investigation has just started, but we know the school's students do projects with the scanner.

If you are interested in helping with this project, please contact Secretary Dave, (563.387.3736 or [Dave@Dunlavy.us](mailto:Dave@Dunlavy.us)).

The 1903-1909 Early Ford Registry, Inc is a 501©3 Non-Profit tax-exempt corporation. The corporate office is 2895 Bluffton Road, Decorah, Iowa 52101-7802
