Website Updates

Several important updates have been made to the EFR web site.

In the Members Area, the Members Lists have been updated. There are three lists – Members by Name – Members Automobiles – and Members by State & Country.

The Members by Name includes all members from the beginning of our organization. In the dues column, the last year dues were paid is listed, so you may check to see if your dues are paid. You will notice there are a few folks with 0 in this column, this means they have never paid any dues. Of course, they do not have access to our Members Area and do not receive Newsletters.

The Members Automobiles is only as up to date as folks inform us they have bought and sold automobiles. If you can't find your new car, please send us the details so we can update this list. This is also applicable for cars sold.

The Members by State and Country list is handy to see who are members in your area.

By now we hope you've noticed the new main menu of the web site. We have made a couple of changes recently.

Under General Information, we added “About the Organization” to explain what our organization is all about.

The next menu item, Instructions for Members Area and Users Forum, explains how to login to the Members (only) Area and what you can access there.

We added a menu item, I forgot my Users Forum Password, which explains what to do if you can't remember your Users Forum Password.

If you have any questions or suggestions about these new items, please email me (dave@dunlavy.us) or give me a call (563.387.3736).

We hope you enjoy these changes.
