Paynesville and NLNB Tours were great success!

By now you have probably read **Rick Lindner** and **Bruce Van Sloun's** article about the Minnesota tours in the Fall Newsletter. The number of Ford's completing the **NLNB Grand Run** is impressive. Our participating members know what they are doing and will certainly look forward to your participation.

Bruce sent me an email, "Now that this year's Paynesville and New London to New Brighton have been completed, it's time to start planning for next year. I can tell you that the NL- NB board is already meeting for next year's event. What the EFR really needs is for YOU to participate! There are really only a couple of reasons, pie and ice cream, libations, it's a wonderful opportunity to hang with other EFR nut cases, AND WE NEED TO PUT THOSE INFERNAL MAXWELLS IN THEIR PLACE!! So plan on getting your Early Ford tour ready or your Early Ford project bolted together and start making plans to be in Central Minnesota next year!"

Good Luck and keep us posted.

The area where anyone may go to research and observe items has some items already. Included are a few pictures and Gene's obituary.

Any member whose dues are current may login and research, download items of interest from the **Members Area**. The material is now being cataloged, scanned and digitized. We will add material as it becomes available so you will have access bit by bit. We will keep you posted about this project and let you know when new material becomes available
