We received awards for our Newsletter and Web Site

Hot out of the box! – we just received our awards for having an outstanding Newsletter and Website. Many thanks to **Chris Paulsen, HCCA Chairman of the Board**, for picking up the Award Plaques and sending them to me.

I appreciate it greatly because my total pay for putting the Newsletter together is whatever award I can achieve. I have constantly asked the **EFR Board** to just fund my January Aruba sabbatical, but haven't been successful yet.

Actually, I take very seriously any suggestions (requirements) to make things better. However, it's been a couple of years since I received a written judging form.

I also listen very carefully to EFR member's suggestions. The several folks who submit regular articles for the newsletter are the folks who deserve this award. The next time I attend a Board meeting, I will have a special treat for them. Bruce, Rick, Rick, Rick and John.

These Email Updates are unique to our Registry. We've been doing them for more than 5 years. I hope you get filled in on what's going on in between the quarterly Newsletters.

We've made progress on the **Kristoffy Memorial Section to the Library**. We are now ready to take the more than one hundred of large prints to a larger scanner. I'm excited about this because after everything is scanned, we can put similar material together in a catalog to make it easier to locate.

EFR Meet and Greet at the Hershey Swap and Show

Carl and Anne Pate will be hosting a 1903-1909 Early Ford Registry (EFR) Meet and Greet on **Thursday, October 11th at 4:00 PM** at spaces RWM 23-26 and RWN 23-26. There will be the usual time to visit and enjoy the eats and beverages. Folks from all over look forward to catching up on the latest buzz. Be sure to keep the date open and come early and stay late.

Some of the **EFR Officers and Directors** are sure to be there so it will be a great time to hear what's new. There will be some EFR cars available to look at and the owners will be happy to answer all the questions you might have about their car and specific model.

It's a great time to talk about the Board of Directors election coming up. No doubt one or more members running for the board will be there, so you can get an idea of what they plan to do on the board in the coming years.
