A Report from Hershey

Had a great drive over, clear and sunny. Stayed hot, humid, but dry (except under the arms) the first two days. Got a lot of stuff, some needed, some not - but hey, no sense driving 400 miles if you don't get some "goodies".

Had dinner at the Hershey Hotel after an invite from Chris and JoAnne. Classy!! Met their friend Don and his wife, who were here from California. If you walk around a lot here, you'll here many different languages as people travel from all over the world for Hershey.

With close to 10,000 spaces, it's been years - decades, really - since I've been able to cover all of them. Just have to see what I can and not loose sleep over it. Friend called about an early Ford, so I went over to look. It has a Ford body, but the engine was wrong. While looking it over, it looked like the engine in the Marysville museum car - and it was a Brennen!!!

Last shot is this morning, too much rain and very little open. The Hagerty tent this year decided to give each of the students \$200 and go out to buy "stuff" and make something out of it. Seems to have a strong Ford influence, which I LOVE!!!

Had a very good turnout for our meeting, despite the fact it had rained most of the day, and did during the gathering. Over thirty showed up, so things were busy, and packed. I spent most all my time taking dues, new memberships, and changing some things.

Yes, we'd like you to consider running for the **Board of Directors**. One of the neat things about being on the Board is we are connected with modern communications (telephone and email), so you don't need to spend thousands of dollars going to meetings. Of course, one of the big benefits of being a board member is getting to meet with and share with other EFR folks. Board members have literally hundreds of years of experience in the hobby. We guarantee you will be exposed to some of the most knowledgeable people in the world of early Ford cars. All you have to do is call or email one of the following: **Bruce Van Sloun** (612.963.7586 - bpvansloun@gmail.com) or **Rick Lindner** (614.263.3673 - colscarguy@gmail.com).
