## HCCA Awards EFR Newsletter & Web Site

By Dave Dunlavy, EFR 41

Just received a wonderful recognition from the **Horseless Carriage Club of America**. After reviewing our Newsletters, we were awarded **Highest Honors** for our effort. This award certainly goes to the fine folks furnishing us material to include in the newsletters. It is a pleasure to read about someone's restoration, innovation, history of their car or experience on a tour or show. Keeping you up to date on tours, swap meets and shows is a necessary part of the newsletter. Several cars have been sold through ads in the newsletters and many parts have been bought and sold.

The Early Ford Register web site (<https://www.EarlyFordRegistry.com>) is a wealth of information and history. Now we have more than **4,000 pictures** of members cars and other history. The **Library** has a wealth of information open for anyone to use. Several "members only areas" have been setup to house special collections made available to us. **The DeAngelis Memorial Ford Quadricycle Area** contains complete plans, pictures, videos and working notes which are being used by tens of members to research and build full scale replicas and models. The newest addition is the **Gene Kristoffy Memorial Area** with his drawings, notes and photos. We hope you have had a look at these areas. If you have any questions about logging in, complete information is available under the General Information menu tab.

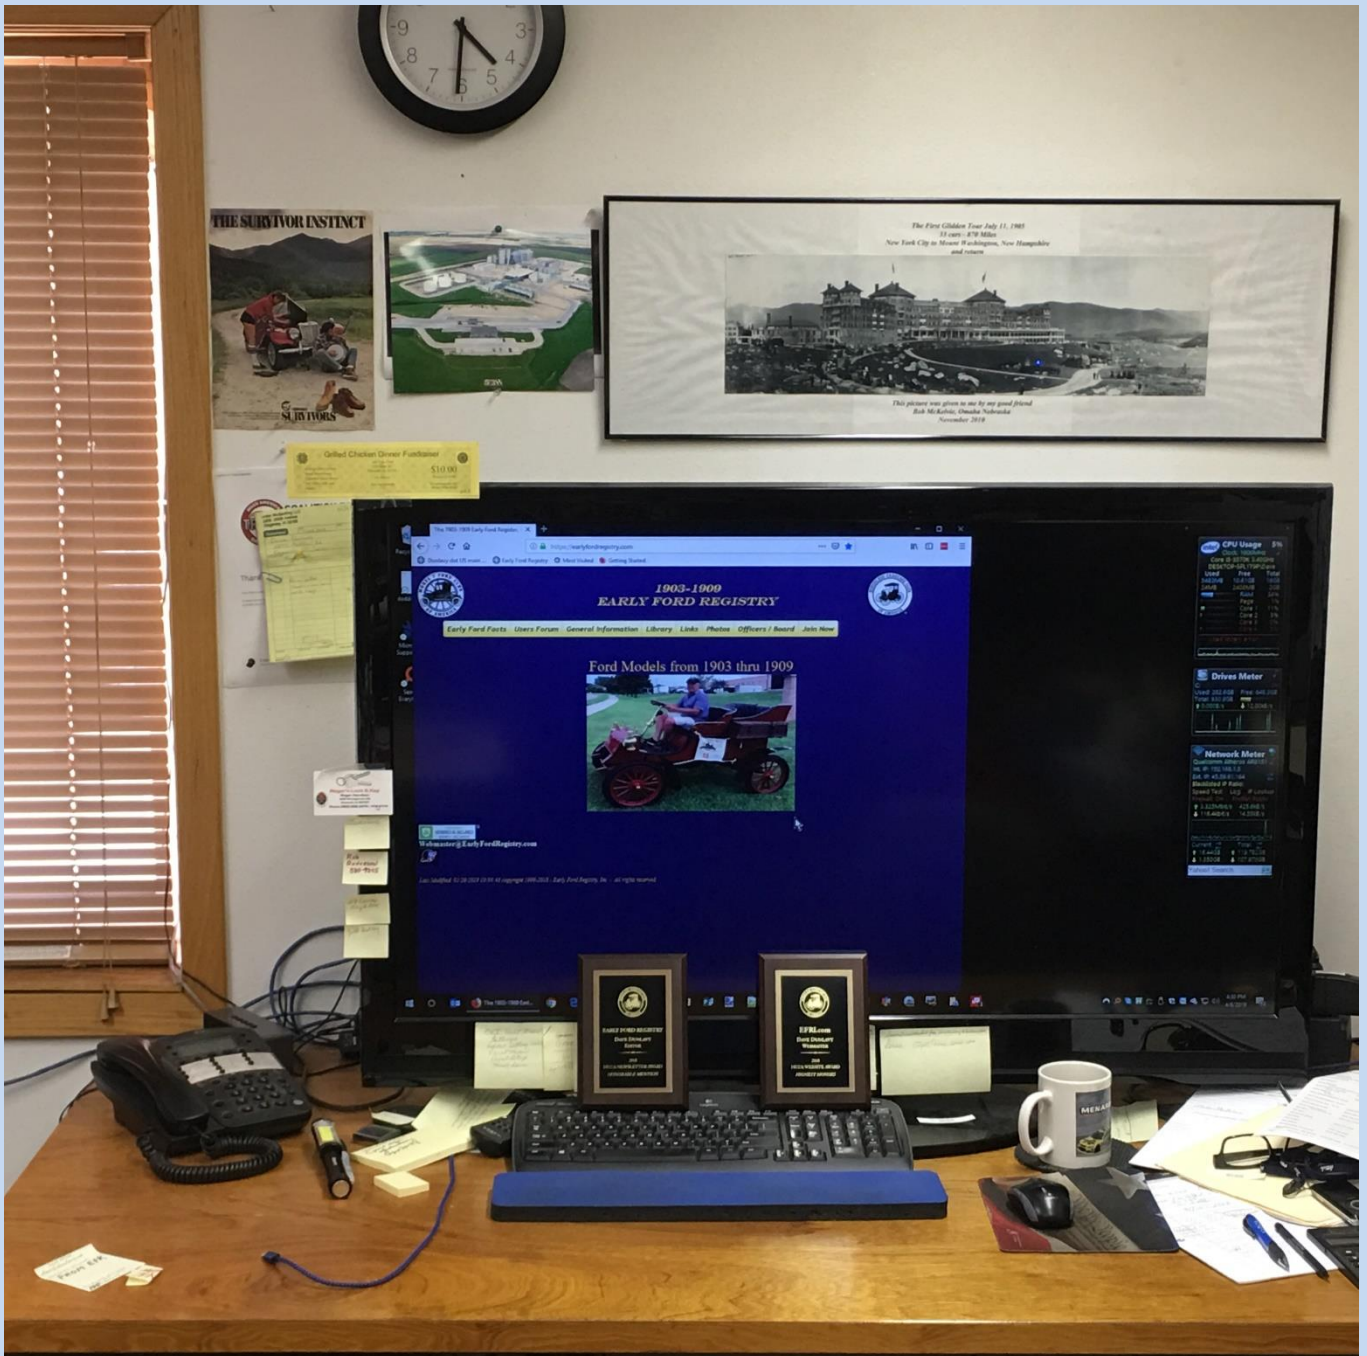

The plaques in the picture on the right, are a fine addition to our award center in my assembly room. On the next page, there is a sneak peek at the office workspace where all of the blood sweat and tears occurs.

I highly value these awards, as I have said before, because I consider it my pay for the work I do. Thank you, HCCA and EFR.

**Wanted Item** for a 1909 Ford front end. Tie rod connection as shown in photo. Any leads appreciated. Need this to correctly complete my 1909 chassis. Thanks in advance for your help.
